

YCI Mural Project Volunteer Agreement

YCI is a professional organization that provides meaningful and responsible art services to the community and our clients.

We are not a place for students who join casually or solely to fulfill volunteer hour requirements. Volunteers who lack commitment or participate with a careless attitude will not be accepted.

All participants must fully understand and align with our mission and standards, and are expected to serve with sincerity, responsibility, and professionalism.

For each project, **all one-day volunteers are required to print, carefully review, and sign the agreement below.**

The signed document must be brought on the first day of the mural project and submitted at the check-in table before the project begins.

Once the signed document is received, you will be given your official YCI t-shirt and may begin working on the mural.

All students are required to wear the official YCI t-shirt during volunteer activities to clearly identify themselves as part of our organization.

T-shirts must be returned at the end of the volunteer shift.

Students who fail to submit a signed agreement will not be allowed to participate.

Parents/guardians should be reachable and available for pick-up at any time during the project in case of emergencies or behavioral issues involving the student.

By participating in the YCI (Young Creators Initiative) Mural Project as a one-day volunteer, I hereby acknowledge, understand, and firmly agree to the following conditions, and pledge to follow them with responsibility and integrity:

1. I will always participate with a positive attitude and a serious mindset, doing my best to contribute to the successful completion of the project.
2. During my volunteer work, I will refrain from unnecessary conversations or behavior and focus solely on the assigned art tasks, maintaining harmony with other participants.
3. In the event of any unexpected incidents or conflicts, I will fully comply with the instructions and decisions of the on-site supervisor and understand that I may be asked to step away from the project if necessary.

4. If I cause any damage—whether intentional or due to negligence—to the mural, property, or equipment, I take full responsibility and will compensate for the damage without dispute.
5. When using the restroom during mural work, I will thoroughly clean off any paint from my body beforehand, and if I accidentally leave paint marks on walls or facilities, I will clean them myself and take full responsibility.
6. I understand that this project is a serious and professional public art service for the community, and I pledge to participate with appropriate diligence, accountability, and respect.

Media Release and Likeness Agreement

By participating in the YCI Mural Project, I grant permission for any **photos or videos taken of me (including my face)** during the project to be used on YCI's official website, Instagram, and other public platforms or promotional materials (press releases, newsletters, presentations, etc.).

I understand that these materials will be used for **nonprofit, awareness, and promotional purposes** only, and I waive any rights to compensation or future claims regarding the use of my image or likeness.

Liability Waiver

By participating in this project, I acknowledge and agree that YCI, its directors, staff, and affiliates are not liable for any injuries, accidents, or illnesses that may occur as a result of my voluntary participation, whether caused by negligence or otherwise. I understand that I am participating at my own risk and agree to take full responsibility for my own safety and conduct.
